

TRU BASKETBALL

Programs & Camps

TRU camps offer quality instruction with its highly regarded coaching staff. Participants will receive instruction in all aspects of the game, the camp will be mainly skill based. Camp includes skill evaluation, development and fun contests and prizes. Scott Clark (Head Coach Men's Basketball) organizes and supervises the instruction of the assistant-coaching staff and varsity student-athletes. Participants in the Day Camp will receive a T-shirt. Instructor to Participant Ratio is Approximately 1:12. Maximum numbers will be 12 per session and thus we may have to place children into slightly different age group to accommodate all.

We ask players to bring a ball of their own.
