## **TECHNOLOGY: STUDENT ACCEPTABLE USE** **EXPECTATIONS FOR STUDENTS USING DISTRICT TECHNOLOGY RESOURCES**

The following are expectations for students accessing the Internet and e-mail through the District's/Schools' networks. Students agree to the following terms and conditions.

**Inappropriate material:** I will inform my teacher or principal if I come across any site, material information or situations that makes me feel uneasy or uncomfortable, or that I believe may contain inappropriate material. I will not respond to a message sent to me that makes me feel uneasy or uncomfortable. I will not post, send or download inappropriate material.

**Respect for other people's personal information:** I will not post personal information about other people, including family members, fellow students, teachers, District employees or friends. Personal information may include information such as full names, school locations, interests, extracurricular activities, occupations, home or business addresses or phone numbers.

**Posting student's own information on the Internet:** I will not post my personal information anywhere, including my homepage if I have one, through the District or School Internet server. I may however, post school projects and work on the Internet as approved by my teacher. Just as I have been warned in the past about not meeting or talking to strangers, the same is true for using the Internet – I will not meet with anyone I talk to on the Internet without my parent or guardian present.

**Electronic Mail:** Electronic mail is an electronic messaging system which delivers messages through the Internet. Electronic mail allows any Internet user to communicate with another user or group of users through the District or School server. I understand that using e-mail will be at the discretion of the school. The students will ONLY communicate with District provided e-mail addresses.

**School rules apply:** As a student, I understand that all of the rules of expected conduct, appropriate language, fair and respectful comments, and responsible behaviour of a School District No. 73 student and the consequences for breaking those rules apply to my use of any District technology resource, including posting and using services on the Internet. I understand the consequences for breaking those rules may result in the limitation or withdrawal of the privilege of having access to the District or School technology systems and of having Internet access. More specifically, without limiting the above, I agree that:

- I will not do anything illegal.
- I will not breach my responsibilities as a student under the *Student Acceptable Use – Student Use of District Technology Resources Consent* when using the District's technology systems or the Internet.
- I will not break any regulations regarding student conduct established by the District or my School.
- I will use appropriate language on the Internet, and any statements of opinion that I make will be respectful, fair and not malicious.
- I will not engage in any financial transactions or cause any damage or losses to any person in using a District electronic communications system including posting and using services on the Internet.

I understand that I am personally responsible for my actions, errors and omissions in using a District electronic communications system and accessing the Internet. I further understand the consequences for failing to comply with the terms and conditions of these regulations may well exceed school disciplinary actions, and may include criminal investigations, civil suits or both.

**Responsible Use of the Resources:** I agree to use my time on-line effectively, in posting and using services such as browsing and downloading files. I agree to keep my password secret.

**Plagiarism:** I agree that I will not copy information and claim it as my own.

**Copyright:** In the event that I wish to copy any copyrighted work, if I do not already have legal permission to copy that work, I will ask the original author for written permission to use the graphics or any copyrighted works, including works or art, compositions, text, symbols, sayings, cartoons, excerpts, and quotations. I agree that I will give written credit for sources of information for my work.

Re: Access to student Google Apps for Education accounts

To: Parents/Guardians,

It is an exciting time for teaching and learning in our School District as we pursue our goal of helping all students to develop the skills to become learners, thinkers, innovators, collaborators and contributors. As we pursue our educational goals, we recognize the importance of creating 21st Century learning environments that provide tools for students that are relevant to their daily lives. To that end, we are committed to providing all students access to digital technologies that will empower their learning and better prepare students to thrive in an increasingly digital world.

As a result, Kamloops/Thompson School District 73 has been working with Google Apps for Education (GAFE) to create a digital collaboration system. GAFE is designed specifically for universities and K-12 school districts and provides access to their files, in a collaborative way, anytime and anywhere, in a secure, private and ad-free environment, with more control and protection than an individual Google/Gmail Account. GAFE is currently used by hundreds of school districts and post-secondary institutions, with tens of millions of student accounts around the world.

As a BC school district, we are subject to the *BC Freedom of Information and Protection of Privacy Act*. In order for students to use GAFE, we will need to provide Google with their names, schools and grade levels, as well as documents or information created within, or uploaded onto, the SD73 GAFE platform (see consent form for more details). In accordance with the Act, attached to this letter you will find a consent form that will permit us to disclose such information in order to give students access to this system. This letter of consent is to ask permission for your child to be granted an SD73 Google Apps for Education account for educational purposes. You may withdraw your consent in writing at any time. If you choose not to provide your consent, your child will not be penalized in any way and alternate activities will be provided as appropriate.

Once consent is obtained, your student's classroom teacher will provide further instructions on how to access the GAFE system. If you have further questions, please visit our SD73 GAFE information site at: <http://sd73.bc.ca/gafe>, or do not hesitate to contact me at the school.

Sincerely,

School Principal

## Access to Internet-Based Resources (Web Access and Cloud Storage)

To access a School District Google Apps for Education (GAFE) account this form must be completed and returned to the school.

Student Name: \_\_\_\_\_

School:    BARRIERE SECONDARY   

Google Apps for Education (GAFE) is an Internet-based resource that utilizes web access and cloud storage. The Kamloops/Thompson School District can provide students with a district-managed Google Apps for Education account. This allows students to use a powerful collection of online collaboration and productivity tools, as well as unlimited online file storage space to be used for educational purposes.

Detailed information on the SD73 GAFE platform, including a list of educational uses, privacy, and acceptable and unacceptable use can be accessed at <http://www.sd73.bc.ca/gafe>. Each student will have their own secure login and password to access their account and receive instruction on how to appropriately use the GAFE platform in ways that protect their personal information.

To use a SD73 GAFE account, personal information will be collected by the School District under the authority of the *Freedom of Information and Protection of Privacy Act* (FIPPA). The School District is required to obtain the consent of students and their custodial parents before providing this personal information, as required by the *British Columbia School Act* and *FIPPA 27 (d) (i) (ii)*. In accordance with these *Acts*, students and custodial parents may provide consent or decline to consent (in which case the student will not be able to use GAFE), and may provide a further written response.

Using the SD73 GAFE platform involves the storing and accessing of two types of personal information:

1. Students' name, grade level, and school name - used in order to create the GAFE account;
2. Any documents or information created within or uploaded onto the SD73 GAFE platform by students. This includes, but is not limited to, projects, presentations, documents, videos, calendar entries and browser settings created by your child and/or other SD73 students (e.g., students contributing information on a shared document as they work together on a group project). Any documents or information created within or uploaded onto the SD73 GAFE platform by students may contain personal information reasonable for educational purposes (e.g. a student's name included in a writing assignment).

It is important to be aware that both types of personal information will be stored on secure Google servers located outside of Canada, and in certain circumstances, may be accessed by District IT staff or Google. <https://sites.google.com/a/gedu.sd73.bc.ca/sd73gafe/privacy/who-can-access-my-information> While stored outside the country, information in your child's GAFE account may be subject to the laws of foreign

jurisdictions. Privacy legislation requires that we inform you of this and obtain your consent to this arrangement.

The use of the Google Apps for Education service is not an educational requirement for students. Should you choose not to provide your consent, your child will not be penalized in any way and alternate activities will be provided, as appropriate.

**Consent:**

I understand that my (if student is signing) information or my child's (if parent is signing) information will be used for Google Apps for Education. This includes information collected by School District #73 for the purposes of creation/use of individual GAFE accounts. SD73 may also collect personal information about students that is potentially shared by other students related to the use of GAFE (ie: group projects, videos, shared calendar events, etc.).

For questions regarding the collection of personal information for use in SD73 GAFE accounts, please contact Shayne Olsen, Associate Superintendent Human Resources, 1383 9th Ave, Kamloops, BC, 250-374-0679.

I hereby acknowledge that my child and I have read and understood the School District's Policy on the Use of Google Apps for Education. <https://sites.google.com/a/gedu.sd73.bc.ca/sd73gafe/privacy/acceptable-use-guidelines>

This consent will be considered valid from the date at which it is signed until 12 months after the point the student named below is no longer a student within the School District, unless at any subsequent time the consent is revoked with written notice delivered to the School District.
