February 18, 2022 Updates from Barriere Secondary

Good Afternoon,

The last 2 days our Senior Girls Basketball team competed in the Okanagan Valley championship. The girls had a tough draw and came up short in their first 2 games. They are playing in their 3rd game at the time of writing this. A win keeps their tournament going.

Senior Boys play in their Okanagan Valley Championship next weekend. Our Grade 7 through 10 teams continue to play in both league games and playoffs.

Earlier this week the Ministry of Education announced some changes to our school events. These, come into effect **Tuesday February 22, 2022**. Some of the changes include:

- Spectators are allowed at indoor sport events with capacity limits, all visitors must wear a mask. Details of space limits and processes will be available next week;
- School assemblies and gatherings may now take place in person;
- PAC and Grade Committee meetings may resume in person.

Also this week, students enrolled in Semester 2 elective courses, will have received an invoice for any course fees related to those courses. If they did not bring that home, you can access the statement through [SchoolCashOnline](#) as well.

Thursday next week, students currently in grade 7 through 11 will begin the course selection process for the 2022-2023 school year. To learn more about the options available, we are also holding a Parent Info Session on Thursday February 24th. This session will contain information on our course selection via Zoom at 6:30pm. **A Zoom link will be emailed out to parents on Wed., February 23rd.**
