February 4, 2022 Updates from Barriere Secondary

Good Afternoon,

This week we transitioned to Semester 2 course programming. Students settled quickly into their new block rotations and met with a new group of teachers.

Also this week our grade 7/8 linear students completed their outdoor activity program with the Barriere Outdoor Club. The final day students had a combination of snowshoeing, a variety of games and a hot lunch prepared by the volunteers from the Outdoor Club.

In Athletics action, our grade 7 teams opened their league play this week. Great to see the excitement as they awaited buses in their jerseys ready to represent BSS and show their Cougar pride. As they were beginning their seasons, the Senior teams are winding down their league play. This week both our Girls and Boys teams held Senior Night, where graduating players were recognized for their time in the Cougar bball program.

Next week Monday evening we have the monthly PAC meeting. This month we continue to meet virtual. The meeting begins at 5:30pm [Link is available here](#).
