## January 7, 2022 Updates from Barriere Secondary

Good Afternoon,  
Happy New Year!

I apologize for multiple emails, it was important that I keep our Enhanced Measures and Continuity of Learning separate from my weekly communication with you in a best effort to ensure you were aware of that important work in keeping our school safe.

Our staff and I look forward to welcoming all of our students back to school on Monday. Further to the email earlier today, I encourage students to have access to the pre-paid cafeteria cards available through [school cash online](#). Cards can be purchased in \$20 increments. They can be used for morning breaks as well as lunch, including days when proceeds go to Athletics. Students will need to let Mrs. Luison in the office know, once you have made an online lunch card payment.

Beginning Monday students will also be able to pre-order for both morning break and/or lunch. I have attached the order form to this email for next week's lunch. Forms will also be available during first period Monday morning.

We will be reviewing all of our enhanced measures, including a reminder of mask expectations, with students on Monday.

Lastly, I have included the link to Monday's PAC meeting below, the meeting is virtual.
