June 24-2022 Updates from Barriere Secondary

Good Afternoon,

In our last full week, students completed final projects, had exams and our Grads went on the first "Magical Mystery Tour". The tour began with the Grad Breakfast where grads cooked for the entire school. They then had a brief assembly. Grads were given their cap and gown for a walking parade through Barriere Elementary. The students and staff lined the halls and provided a standing ovation for each of our grads. From there we were back on the bus and made our way to North Barriere Lakes resort. The grads were able to spend time with each other, playing games, using the swings and hanging out on the little bit of beach that is showing with the high water level. After a bbq lunch by the amazing Mrs. Mairs, it was time to head back to BSS for the end of the day. In conversations with students, it was recommended that the mystery tour become an annual tradition for the graduating class.

Tonight we have our commencement ceremony, formally celebrating the graduates. Tomorrow there will be the annual grad parade through town at 5pm.

Next week we have our final school days. Monday is the last full day of classes. Tuesday and Wednesday are project completion days. Classroom teachers will be contacting parents if their child(ren) are required to attend on either or both of those days.

Report cards will be available through the MyEd Parent Portal by Thursday June 30th at 9:00am. Printed copies can be requested and picked up at the office, beginning Monday July 4th.
