Box 130, 4811 Barriere Town Road

Barriere, BC V0E 1E0

Phone: (250) 672-9943 Fax: (250) 377-2254

May 13-2022 Updates from Barriere Secondary

Good Afternoon,

This week we initiated *Unplug and Play* days. On Tuesdays and Thursdays, the Learning Commons' computers and computer labs are now closed at lunch (the Learning Commons itself remains open). We encourage all students to take a break from all screens during this time. Spend the lunch break with classmates, get outside, or take time to unwind. This will remain in place until the end of the school year.

This morning we were able to congratulate our Junior Boys' rugby team. The boys have a combined team with Clearwater and last night they won the Championship Banner for the West Zone. Great work Cougars! Every Friday we host a Drop In Sports Program for girls in grades 7 through 11. Stop by and join the action, snacks are provided as well!

Next week, Wednesday May 18th students will be participating in [Health%20Canada's%20Canadian%20Student%20Tobacco,]Health Canada's Canadian Student Tobacco, Alcohol and Drugs Survey (CSTADS) is a school-based survey administered to a sample of students in grades 7 to 12 in schools across Canada every two years. Information is available on our website. Should you wish to opt your child out of the survey, please complete and return the opt out form [found here](#).

Tuesday next week is Theme day. The students had input into their respective grade themes and this is what they have selected:

Grade 7s will be geezers;

Grade 8s will wear all black and be emo;

Grade 9s will bring us back to the 80's and 90's;

Grade 10s will play the role of dads at the BBQ;

Grade 11s will show us how it's done with black ties and dresses;

and our grads will bring the Cougar pride with jerseys.

A reminder that next week is a shortened week for students. Friday is a Professional Development Day (no classes for students) and then Monday May 23 school is closed for Victoria Day.
