November 12, 2021 Updates from Barriere Secondary

Good Afternoon

This week our Leadership and Media Design classes combined to deliver a Virtual Remembrance Day Assembly. All students then completed a written reflection activity, creating a poppy that was posted on our mural board. See picture attached.

Our Sr Girls Volleyball team is competing in the League Championships tonight to earn a spot in the Okanagan Valley Championships next week. Good luck Cougars!

Next week the Barriere Bridge Closure and Highway Detour will be happening – November 16,17,18 – Highway 5 will be closed for Bridge repair. The detour goes through town and past our school. See details below, please encourage your child(ren) to remain on campus these three days for everyone's safety. Lunch will be FREE of charge to all students on each of these days.

Spirit wear is still available to order. We have a tight timeline for the order deadline, so that we can ensure that orders arrive in time for Christmas. [Click here to view the order form.](#) Orders and payments must be made by November 15th, 2021! Barriere Bridge Construction

As a result of the Barriere Bridge Construction, taking place November 16,17 and 18th, all Highway traffic is being routed through town and along Barriere Towne Road (in front of our school). As a result, we anticipate very high traffic volume throughout the day on each of these days. Due to this construction, bus schedules after school, may be impacted.

We also ask that you plan accordingly as it could take longer to access the school. We also ask that you encourage your child(ren) to stay on-campus throughout the day in order to maintain student safety. To further incentivize students to stay on campus, the District of Barriere has committed to buying lunch for ALL STUDENTS one each of these days. Thank you to his Worship, Mayor Wade Stamer and the entire District of Barriere Council for their generosity and assistance in keeping our students safe.
