### **School Calendar - PD Day Adjustment**

On Oct. 5, 2022, the Ministry of Education and Child Care communicated its intention to amend the School Calendar to reduce the number of hours of instruction by 5 hours for the 2022/2023 school year. The ministry made this decision to accommodate the closure of schools on September 19, 2022, for the National Day of Mourning to mark the passing of Queen Elizabeth II. September 19 was also a planned District-wide Professional Development day for all staff, and that day had to be postponed. The Board has approved an adjustment in our school calendar to re-schedule the Pro-D day from September 19 to November 21, 2022. The choice of November 21, 2022 was made through a consultation process with representatives from our employee groups (KTTA, KTPVPA, CUPE and Excluded). [Read more](#)
