November 26, 2021 Updates from Barriere Secondary

Good Afternoon

This week just over 20 students, grades 10 through 12, began working with students at BES as part of our Big Buddy program. During these first meetings, the students work to build positive relationships and spend time mentoring younger students. In speaking with several of our students the first meeting was fun and they are looking forward to the next several weeks leading up to the winter break.

The Sr. Girls competed well at the Valley Championships in Lumby last weekend and our Grade 7 and 8 girls team finished their season with a strong set of games at the regional playoffs. The volleyball season is now over and we are looking ahead to the beginning of basketball season. Please see below for important information about next week's practice schedule and an important meeting for parents/guardians and players being held next Thursday.

I wish you all a restful weekend, hard to believe we turn the calendar to December next week!
