October 25, 2021 Updates from Barriere Secondary

Good Afternoon.

Last week our boys soccer team competed in the Valley Championships. They played well throughout, in one of their toughest matches they came up just 1 goal short of the 2nd place finishing team. Today I received an email from a Principal of another school, commending our team for their outstanding sportsmanship and the way they represented the community on and off the field. Congratulations to all the boys and Coach Lowe!

Also on Thursday, all of our grade 7 and 8 students attended a field trip at the Dunn Lake Hatchery. The reports from students have been very positive as they were excited to get out on a field trip and learn outside the school for the first time in a very long time.

I would also like to commend our Leadership students as they held a bake sale with all proceeds going to Breast Cancer Research. In just one lunch time of sales the students raised \$203 to this cause. That is a lot of cupcakes and cookies!
